When to Use Urgent Care

Always dial 9-1-1 immediately if you have a serious, sudden, life-threatening emergency.

A few examples of these conditions are severe dizziness, seizure or head trauma.

If your condition is not life-threatening, call your primary care provider. They are often able to see you the same day that you call or provide you with medical advice over the telephone.

Facey Immediate Care - Mission Hills

11333 N Sepulveda Boulevard
Mission Hills, CA 9345
818-869-7200

Monday - Friday: 9:00a - 8:30p
Sat, Sun & Holidays: 8:00a - 5:30p

You may be directed to one of Facey's two immediate care centers. They are staffed by Facey physicians who are trained to provide treatment for urgent medical needs. Facey Immediate Care offers a range of services, including suturing, x-ray, lab and casting broken bones.

Please note: Co-payments for Urgent Care services at Non-Facey locations may vary depending on your insurance plan.
